

Educational Resources During COVID-19

As per Governor Wolf has ordered that all schools are to be closed for the remainder of the school year. Many schools have switched to online learning platforms for the remainder of the school year. If you have particular questions regarding how your school is handling this shut-down please look at their websites!

If you are experiencing issues with this transition there are many resources that have been made available to the public for free during this time. Some have been listed below:

- <https://www.abcmouse.com/abt/homepage>
 - Free for 30 days
- <https://www.math-drills.com/>
- <https://www.khanacademy.org/>
- <https://www.e-learningforkids.org/>
- <https://www.funbrain.com/>
- <https://pbskids.org/>

For other resources, reach out to the educators in your community!
